Chapter 1 by Fanwizard

The piano sat
alone
in the corner
Dark
since the curtains let in no light
No one had touched the piano since
the melody faded away
Memories of good times surrounded it
A large family
singing along as one person took turns
playing
A girl
practicing,
the melody so hauntingly beautiful
everyone else stopped what they were doing
to listen to her practice

A boy
chasing after
a sleek small cat

and ran
The keys had a layer of dust
The paint was peeling
The pedals were chipped
But still, it

glided across the crisp keys
As her body swayed to the soft melody
that she created
Even as she stayed silent
through her entire masterpiece
her voice could be heard throughout the entire house
She didn't have to say a word
to be heard

As she struck the last note
the sound cutting through the air like a knife
she was suddenly finished
Silence had never seemed so
LOUD
as she stood up
smoothed out her long dress
and bowed

Applause began
It lasted for a very long time
as she left the room

She never returned after that day. See more of Story Wars

No one could cast the eternal spell she had created
when she played

Eventually
the piano melted into the memories of the forgotten
The melody joining soon after

The house was sold
but never rebuilt to its former glory
The girl never returned
She married, had children, and later died
The piano was abandoned
the memories of the music disappearing
along with time
